

Andover New Street Youth FC

EMERGENCY ACTION PLAN – Site Specific

This document is intended to help deliver an effective medical response in the event of a player, club member, match official or spectator being injured or becoming ill whilst on site(s) or hired pitches.

Club Name	Andover New Street Youth Football Club
Pitch Venue	King George Field, Hatchet Hill, Lower Chute. SP11 9DU
First Aider Information	
Andover New Street Youth FC managers and coaches hold a FA First Aid Certificate (as a minimum one will be on-site during the match). They will be able to assist with a medical emergency. Please locate the nearest Andover New Street Youth manager or coach should you require assistance. A match day respect steward in hi-vis will also be able to help you.	
Item	Location
First Aid Kit	Pitch side – held by the Team Manager/Coach/First Aider
Changing rooms	There are changing rooms, toilets and wash facilities on site situated on the playing field. (PLEASE NOTE COVID procedures and guidance.)
Defibrillator	The hatchet Inn - Lower Chute, Andover SP11 9DX
Access Routes	
For Ambulance - Access to the field is via an unlocked gate next to Hatchet Hill, opposite to Chute Social Club. This will lead straight on to the field. For other vehicle there is a second access gate at the bottom of the field that will lead to 'on field' car parking.

Match Day – King George Field, Lower Chute SP11 9DU

- Barriers are highlighted in Yellow. Spectator barriers to be placed 3 metres away from pitch. Car Park Barriers to be placed at a minimum of 6 metres away from the pitch. (FA Rule)
- Overflow car park area only to be opened up if other parking area is full. Block with traffic cones so normal parking area is used first.
- For 9v9 no spectators allowed in the linesman’s half. (FA Rule) * Currently relaxed due to COVID social distancing guidance.
- Field to be totally cleared (Including goals) if no teams following on.

- Barrier posts and rope to be put away neatly in bags to avoid tangling. Note the spike part of the barrier post can be unscrewed, turned the other way round and inserted in to the post when not in use. Please check when removing posts from the ground the spike part has not come away and left in the ground.
- All rubbish removed and taken away including from pavilion.

THANK YOU
